LECOMPTON COMMUNITY EMPOWERMENT

WWW.LECOMPTONKS.ORG

Don't Just Reside in your Community. Live in it!

Lecompton Community Empowerment, volunteers of the Lecompton area, and Kansas Community Empowerment collaborate to enhance our community and improve our quality of life, while recognizing the importance of our history. The Lecompton Community Empowerment building is the former Lecompton Rural High School building located at 620 E. Woodson Ave. Anyone may join or participate at any time!

L.C.E. meetings are held the 4th Mondays of each month at 6:30p in the Owl's Nest Lounge. Everyone is welcome!

The LCE building has rooms available to rent for events.
Please contact Carol Howard to check availability at 785-887-6691

Watch for **activities** to be offered throughout the Spring and Summer at our Facebook page
www.facebook.com/lecomptoncommunitypride

LECOMPTON COMMUNITY EMPOWERMENT OFFICERS

President – Greg Howard
Vice President – Mary Jane Hoffer
Secretary – Elsie Middleton

April 12th – Dance Recital – At LCE bldg.

Adult Yoga w/Jennifer – Mondays 5:30p-6:30p

God's Pantry

The Lecompton United Methodist Church Food Pantry is open **the 3rd Saturday each Month**. 7:30a-10:30a

Due to the number of families we are serving and the time we have available, we are filling shopping lists each month.

Instead of individual shopping, a volunteer will shop for you. You must fill out a shopping list located at either City Hall or the North Door of the Church (Blue door) fill out a shopping list and return by the Sunday before pickup date.

There is a plastic sleeve/pocket to put your completed list in.

Lists not received by the Sunday before pantry will be given a pre-packed bag of general nonperishable food items and any cold or frozen items available that day.

Lists received in time will be filled by volunteers and on the day of pick up will bring your bags to your vehicle in the parking area East of the Church.

When pulling into the parking area, vehicles will need to pull into the drive, just off Woodson and exit to the south.
(There are signs)

The services are available once a month to clients. If there is an emergency or a new family has moved to the area, please contact the church or Mary Jane Hoffer, arrangements will be made to assist them.

Mary Jane Hoffer at 785-393-3382 or mjhoffer9@gmail.com

All support from the community is very much appreciated!

There are blessing boxes located at the church and elementary school.
They are for anyone who needs to take food from them.

Cruising cupboard from just foods in the church parking lot – 1st Thursday of each month 4:30p-5:30p

The food pantry can always use any type of food or monetary donation. If you would like to make a monetary donation, checks can be made payable to “LUMC God's Food Pantry” and may be delivered to the church.

If you have any questions or are interested in more information please contact Mary Jane Hoffer by phone:
(785) 393-3382 by email: mjhoffer9@gmail.com

LECOMPTON UNITED METHODIST CLOTHES CLOSET

The Lecompton United Methodist Church clothes closet is located in the former high school (LCE building)
620 E. Woodson Ave. 3rd floor.

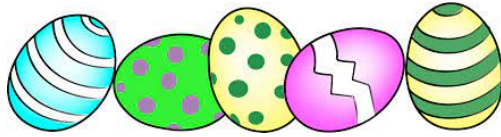

The closet is open the 3rd Saturday each month, 9a-12p; volunteers are available for questions assistance if needed. Anyone in need of clothing may come to the closet. Gently used clothing and lines are accepted at the clothes closet. Winter is approaching and if anyone has any gently used quilts, blankets that they would like to donate please let us know as some families do not have these items.

All items are free.

We can always use gently used infant, children, teens, men and women's clothing.

In case of emergency need please contact Karmell Thacker (785-766-6603), Mary Jane Hoffer (785) 393-3382), Mary Sue Sledd or Linda Smith for assistance

If you have any questions or are interested in more information, volunteering or making a donation, please contact Gina Clements- by phone: (785) 213-1168 - by email: gclement_1@yahoo.com

2025 TIRE COLLECTION

Tires must be to the curb by 6:00 A.M Tuesday June 10th, 2025

The City will be accepting tires to be picked up for recycling. There will be a LIMIT OF 4 car and/or light truck tires collected per household and the tires must be OFF the rim. If you have more than 4 car and/or light truck tires you would like to have picked up, OR if you have tires other than those for cars or light trucks, you will need to contact the City Office for additional information. Tire disposal in excess of 4 tires will be \$2.50/tire. The phone number for the City Office is 785-887-6407.

September 27, 2025

Please join the community in celebrating Lecompton’s history by attending Lecompton Territorial Days!

Territorial Day 2024 was a great success! Between the pancake breakfast and the live music street dance we had a cakewalk, inflatables, carnival rides, a parade, games, craft booths and food trucks plus a performance by the PLHS Band. T Day 2025 will take place **Saturday, September 27, 2025**. Look for the schedule in the September Newsletter or at any local business plus City Hall and the Post Office.

For information about joining the T day committee to volunteer contact Vickie Clark 785.249.8998 or sign up on Facebook at Lecompton Territorial Day

The Lecompton Historical Society is a group of volunteers dedicated to learning about and preserving the history and culture of the Lecompton area. It operates the Territorial Capital Museum at 640 E. Woodson located between the ball park and the gymnasium, the First Democratic Headquarters at Bald Eagle Park on East Second Street, as well as the historic City Jail just North of Constitution Hall on Elmore Street. Constitution Hall is a National Landmark and State Historic Site. Visit the museums and learn about our city’s and area’s role in the Pre-Civil War era.

The Lecompton Historical Society (LHS) meets monthly on the 2nd Thursday, beginning with a pot luck dinner at 6:30 p.m. followed by a program. Everyone is welcome! For more information call 785-887-6148

Territorial Capital Museum: Wed-Sat 11:00am-4:00pm; Sun 1:00-5:00pm
Constitution Hall: Wed-Sat 9am – 5pm; Sun 1:00-5:00pm

MAPLE GROVE CEMETERY NEWS

Policy Statement

Due to the increasing challenge of maintaining the beauty and uniformity of this sacred space along with the increasing cost and maintenance time required, the following guidelines have been adopted by the board.

Artificial flowers are encouraged year round when placed at headstones. An exception will be made for Memorial Day. However, the flowers must be limited to the headstone area by 10 days following Memorial Day.

Permanent plantings with thorns and large mature bushes are not allowed.

Above ground headstones are permitted. No other above-ground statuary is permitted unless it is at the headstone.

All non-complying plantings and statuary need to be removed in a timely manner.

These guidelines have been adopted in order to be fair to everyone.

We would appreciate your cooperation before the mowing season begins. Thank you.

CEMETERY BOARD

President: Vacancy
Treasurer: Sherri Neill * (785) 887-6155
Members: Paul Bahnmaier
Greg Howard

Please contact Sherri Neill for more information or with any questions.

If you would like to be on the Cemetery Board,
please call Sherri Neill

Outdoor Burning Information from

Consolidated Fire District #1

Spring marks the beginning of the burning season for fields and brush piles across our communities. These prescribed burns play a critical role in maintaining grassland health, recycling field nutrients, controlling unwanted trees and brush, and reducing wildfire risk. Controlled burns are an important tool for landowners to rejuvenate grasslands and agricultural use areas.

Did you know that prescribed burning is regulated by the State and local guidelines? Kansas Administrative Regulation (K.A.R.) 28-19-645 Through 28-19-648 outline requirements for open burns, responsibility for monitoring burns, and types of allowed fuels. Douglas County Home Rule Resolution 23-11-3 further addresses open burning regulations and fire safety requirements within the unincorporated areas of Douglas County.

These regulations are intended to ensure prescribed burning and other open burning is safe, controlled and reduces the impact to surround areas.

I would encourage everyone to read both the K.A.R's and Douglas County Resolution. This information can be found on the county website under the "Fire and Burning" section of the Emergency Management page. For this article, we will highlight areas of extreme importance.

Prior to conducting a prescribed or open burn, you **MUST** confirm that open burning is allowed by calling the burn line and registering with Douglas County Dispatch on the day of the burn. This is a requirement of both K.A.R. and Douglas County Resolution.

Burn Hotline: 785-832-5394

This county burn line is updated every morning by 8 a.m. and will indicate if burning is authorized for that day. If burning is authorized, you must select **Option 0** on this line to register your burn. You will log your name, contact phone number, location of the burn, size/area of the burn, and the material being burned.

- Understand that open burning is not authorized under certain forecasted conditions
 - Rangeland Fire Danger Index is High and forecasted sustained winds greater than 15 mph.
 - Rangeland Fire Danger Index is Low or Moderate and forecasted sustained winds greater than 20 mph.
 - Local conditions of dryness
 - Resource limitations of local Fire Departments

To ensure a safe burn, we recommend the following:

- Develop a written prescribed burn plan
 - Know how many people and equipment you will need
 - Talk with your neighbors and burn together.
 - Determine if site and moisture conditions are appropriate
 - If conditions are not favorable, postpone the burn until conditions improve
 - Prepare the site
- Create adequate fire breaks. These can be mowed, disked lines, or natural fire breaks
 - Size of fire breaks will vary depending on fuel type and moisture. In general, if only grass is present in the proposed burn area, the fire breaks need to be a minimum of 10 times the vegetation height.

- Observe the weather
 - Know weather conditions on the day of burn and 2 to 3 days following.
 - Daily fire weather can be found on the National Weather Service Site.
 - Ideal conditions for prescribed burning are wind speeds between 8 to 13 mph and humidity greater than 30 percent.
 - If a storm front and shifting winds is approaching, consider delaying the burn due to potential rekindling after the burn.
- Conducting the burn
 - Continuous monitoring of changing weather conditions
 - Stay with the burn until it is completely extinguished
 - Maintain adequate help and resources for the entire operation
 - Have your phone close to you and be prepared to answer if someone calls. Dispatch may try to contact individuals conducting prescribed burns to ensure everything is OK.
- Completing the burn
 - Secure the area and patrol the burned edge several times after the burn is completed
 - Extinguish any burning material within 100 feet of burned edge
 - If standing trees are burning near the burned edge, cut them down
 - Check and monitor the burn area for the next 2-3 days ensuring nothing re-kindles.
- Contact 911 if you encounter any problems during your prescribed burn
 - Early notification will allow fire department resources to get there sooner to mitigate any problems.

The Kansas Forest Service provides a template for personal Wildland Fire Action Plan through their **Read, Set, Go** program. This resource is an excellent tool to assist with planning, preparation, and mitigation of wildland fire emergencies.

As previously stated, I encourage everyone to read K.A.R.'s 28-19-645 through 28-49-648 and Douglas County Home Rule Resolution 23-11-3 prior to conducting any prescribed burning this season. If you still have questions after reading the documents, efd1@douglascountyks.org or by phone at 785-843-2226.

Thank you for reading and remember, **all** burns must be logged by contacting **785-832-5394** prior to conducting the burn.

Mike Baxter, Fire Chief
Consolidated Fire District #1

GENERAL CLEANUP NOTICE

It is nearly spring time ~ Now is a great time to haul fallen leaves/tree limbs, sticks and brush to the natural waste dump at the North End of the City Lagoons. Tire pickup day will be happening soon (In June), if you have some old tires, this is your chance to get rid of 4 tires per household (off rim) for free! Get your lawn mowers ready to keep that grass height under 12” tall - Also be mindful of trash and debris around your yard, let’s get that picked up and thrown in the trash. Old chair cushions that the stuffing is falling out of and blowing all over the yard...time to trash those bits! Old ratty tarp blowing around, time to replace it - old chicken coop falling down in your side yard, it’s time to do something about it.

The City appreciates your efforts in maintaining the care and upkeep of your property.

CURBSIDE RECYCLING HONEY CREEK WASTE DISPOSAL

Honey Creek waste disposal service offers curbside recycling

\$11 per month – pick up is every other week
